ABOUT STUDIOBOTICS

StudioBotics is a group of talented individuals who work together by fusing information technology, design disciplines and business solutions. Our services are not just targeted at large organizations, but individuals, startups and various other groups as well. Till date, we have provided solutions for all size businesses in the digital space. While we boast a skillful team, we ensure continuous training and development in accordance to latest and upcoming trends. We are a 100% confident that the services we provide are of high excellency to meet absolute client satisfaction.

OUR **MISSION**

At StudioBotics, we devote our energy in providing all business's with superior web, graphic and social media design services so that they can truly prosper in the digital space.

Our goal is to provide a wide spectrum of design and IT related solutions all under one roof. We aim to continuously add value to all our clientele so that they can reach the blue-chip levels which we'd love them to reach. We strongly believe that we only truly grow, by growing others!

OUR CORE VALUES

EMPATHY

Before creating solutions, we put ourselves in our customers shoes

LEADERSHIP

We have what it takes to shape a better future

DEDICATION

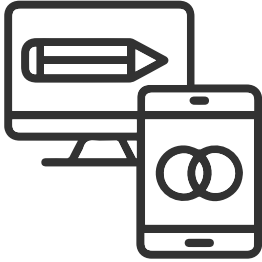

SERVICES THAT WE OFFER

WEB DESIGN

StudioBotics offers a wide spectrum of website solutions like business websites, e-Commerce systems, shopping carts, portals, blogs, portfolios, resume sites while not forgetting the unique website ideas you bring to the table. View some of our existing projects to get an idea of what we have in store for you.

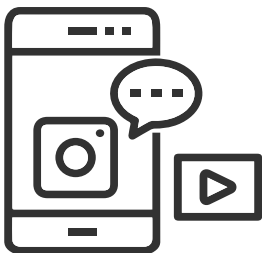

GRAPHIC DESIGN

We got you covered for all avenues of graphic design. Our services include but are not limited to logo design, letterhead design, product catalogues, business cards, rubber stamps, mug printing, name badges, flyers, banners, t-shirts, posters, packaging design email signatures and many other design services.

COMPUTER SUPPORT

We assist home users and small businesses with on-site and off-site support. We provide a broad range of services encompassing hardware and software. Our support services include PC upgrades, repairs, recovery and installations. We also cater for mobile devices too.

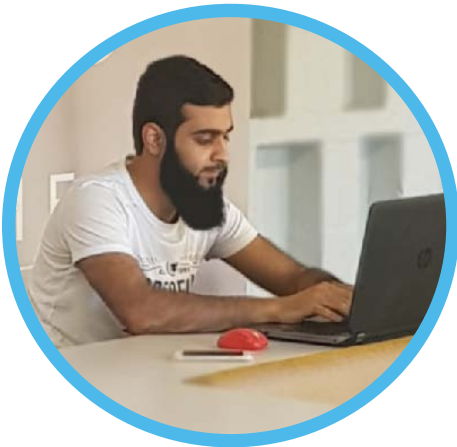

SOCIAL MEDIA MANAGEMENT

Handling your social media accounts can be tedious. We gladly take the strain of your shoulders by creating and distributing content for social media profiles, monitoring online conversations, engaging with your audience, and monitoring, measuring, and reporting on social media performance.

MEET THE TEAM

At StudioBotics, we have a dedicated team of young and passionate individuals who strongly value client sentiments. They simply design with empathy and care in their hearts. Specializing in their respective fields while being unafraid to venture into uncharted design territories, they are sure to provide their clients with something unique and suited to their brand every single time

DIRECTOR

MOHAMMED HOORZOOK

Being driven by passion and having acquired a degree in the I.T field, Mohammed Hoorzook at the age of 24 founded StudioBotics. With the energy his team boasts, alongside his expertise, he aspires to make the world a better place.

GRAPHIC DESIGNER

NURAAN KHAN

Nuraan is a passionate interior design student and part-time graphic designer at StudioBotics. She is in constant pursuit of knowledge about all things she finds most interesting in the world and aims to alter the way people perceive and interact with design. As with most creatives, she thrives on individuality.

GRAPHIC DESIGNER

MISBA KHAN

Misba, an aspiring designer with an undergraduate degree in architecture and currently working as a part-time graphic designer for StudioBotics. She has keen interests in good art, nature, photography and everything relating to the world of design. With passion and ambition in her heart and the will-power to work hard to achieve the best results, she aims to help you achieve all your design dreams!

WEB DESIGNER

HAMZA BHOJA

Motivated by his tagline "Passion, dedication and lots of coffee," He has worked hard to gain web design skills and establish communication skills to deliver to the best of his ability. Previous work experience has etched a passion for customer service enabling him to deal with a wide range of clients. With an eagerness to learn, he enjoys overcoming challenges and has a genuine interest in growing with the company.

WEB DESIGNER

AMMARAH GANGAT

Ammarah is an aspiring student who takes keen interest in the field of IT. She's studying computer and information science in app development and is a part-time web designer at studiobotics, her ultimate goal is to be proficient in various programming paradigms and achieve great problem solving skills.

FEEDBACK FROM CLIENTS

“StudioBotics have honestly done an impressive job. They have high levels of professionalism and will definitely give you exactly what you require. I’d like to say a huge THANK YOU for the speedy and wonderful service. Your work is much appreciated.”

— *Ashraf Samsodeen*
(*Founder, Dapper Industri*)

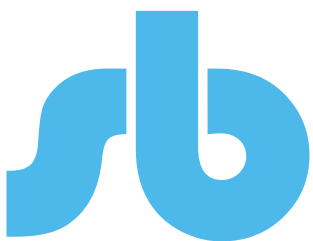

“I genuinely cannot explain how awesome these guys made my website look. Like wow! I am inspired by their young team and the speed they took to develop my website. I was afraid that the admin panel would be difficult to use, but it turned out to be such a breeze! On top of it, they added Google Ads!”

— *Nabeela*
(*Manager, Crystal Math*)

“Mohammed has offered me exceptional service from our very first interaction, he was patient and designed my website to suit all my requirements, he put in a lot of time and effort to create my ideal website in a short space of time, I highly recommend StudioBotics for all your website requirements.”

— *Aadil Matwadia*
(*Founder, Aadil M Photography*)
